Joyce Schuler,

On behalf of The Embracing Project, I would like to take this opportunity to thank you for your generous in-kind donations to our organization. The Embracing Project is a grassroots organization that relies heavily on community support. With your donation we are able to assure that all our clients have the opportunity to receive something meaningful for Christmas. In-kind donations are tax-deductible as determined by the IRS. Please keep this donation letter for your records.

Thank you for your caring support.

Sincerely,

Toshia Shaw
